

GTTHA's First Annual 4th of July Golf Cart Parade was a huge success! Participation by our Green Tee residents exceeded expectations tremendously. We had 47 participants, and the level of creativity was outstanding!. Awesome prize baskets were awarded to the the top three "Best Decorated Carts". First Place went to the Locher Family, Second Place went to the Williams Family, and coming in third was the Treadway Family.

The GTTHA Social Committee was able to contribute \$245 to the Lone Survivor Fund Charity Foundation due to the overwhelming enthusiasm and participation by all.

Many thanks, also, to all of our helpful volunteers, including Gloria Dearth, Madison Ford, Madelyn Payne, Nick Treadway, and Gloria Durrett. We could not have pulled this off without your hard work. **Thanks** to Golfcrest Country Club, as well, for the use of their golf carts, use of their patio, and help with preparation and food set up. We also want to **thank** our judges, Mayor Tom Reid and Mr. Neil West.

A big "shout out " and thank you to the following sponsors:
